**MEDIA RELEASE
17TH OCTOBER 2003**

WORLD CUP RUGBY COMES TO HADLEIGH!

Young rugby players in Babergh are to be given a chance to emulate their sporting heroes currently competing in the World Cup. Babergh District Council has teamed up with Hadleigh Rugby Club and RFU coach Nigel Brown to deliver its own Mini Rugby World Cup tournament.

The event is being hosted at Hadleigh Rugby club on Layham Road, and will run on the 29th, 30th & 31st of October between 1pm and 3pm. The first two sessions will offer coaching and the last session will be a tournament in which the youngsters will represent a number of different nations and will compete for great prizes and the chance to become 'World Cup' champions.

Helping to organise the event is Stuart Everett, Babergh's Sports Development officer, who said that " the event is a great opportunity for the local youngsters to get active and involved in sport. The Mini World Cup tournament gives them a chance to copy the players they have been watching on telly."

The courses are for youngster aged 6 to 12 and the three-day event only cost £7.50. To book or for more details please contact Stuart Everett on 01473 826656 or E-mail stuart.everett@babergh.gov.uk ENDS.
